About The 1872 Clipper Tea Co.

In 1872, a young man named Balage Porolis de Silva embarked on a journey into the world of luxury. He set up a jewellery boutique along High Street, Singapore, presenting not only the finest gems, but also serving the best Ceylon tea to his customers. Hailing from Sri Lanka where having tea is a daily ritual for relaxation and enjoyment, he wanted to enhance his customers' appreciation of jewellery with tea.

Gradually, the B.P. de Silva brand name grew in reputation and became synonymous with artistry and craftsmanship. The family continues to extend the very same values and philosophy of fine jewellery into tea, elevating tea beyond a simple beverage to a premium gift. This led to the creation of The 1872 Clipper Tea Co., whose name pays tribute to the historic Clipper ships that raced to carry chests of the freshest teas to all corners of the world, at the same time acknowledging the year we planted our roots in Singapore.

Today, The 1872 Clipper Tea Co. blends are widely appreciated for its consistency in quality, signature aroma and refined taste.
